JOHN F. KENNEDY

#1

JOHN F. KENNEDY

MAY 29, 1917–NOVEMBER 22, 1963

U.S. PRESIDENT

John F. Kennedy narrowly saved America from nuclear war with Cuba. He helped put the first man into space. He supported civil rights and restored America's faith in itself at a time when the collective psyche was shaken. But more important than all that, he had sex with Marilyn Monroe. Most of us, working full-time and devoting all our resources to the project, couldn't bag Marilyn Monroe. Johnny was the busiest, most powerful man in America, and still he found time! That's someone to admire.

HEROES OF INTERCOURSE

BRYAN FLAMISCH

#2

BRYAN FLAMISCH

JUNE 4, 1972–

PIZZA DELIVERY MAN

Bryan's online profile shows that's he's six feet of tan, muscle-studded man meat with killer abs. He's a neurosurgeon who likes the beach and enjoys playing polo.

In real life Bryan is five-foot-six-inches of pale, flabby dork pork. He's a pizza delivery guy who has never been to the beach and enjoys playing Warcraft.

On September 25, 1992—after months of deceptive e-mails—Bryan became the first person to get laid because of lies he told over the Internet. His triumph became a beacon of hope for shy losers across the land.

HEROES OF INTERCOURSE

WILLIAM SHATNER

#3

WILLIAM SHATNER

MARCH 22, 1931-

ACTOR, STARSHIP CAPTAIN

Time for a quiz. "Anything done supremely well is an act of sex." Do you know who said that? No, not Gandhi, guess again. Give up? William Shatner! Okay, next question: Do you know why the starship *Enterprise* left earth? "To explore strange new worlds, to seek out new life forms" . . . for Shatner to have sex with because he already did every single woman on his home planet.

HEROES OF INTERCOURSE

GABRIELE FALLOPPIO

#4

GABRIELE FALLOPPIO

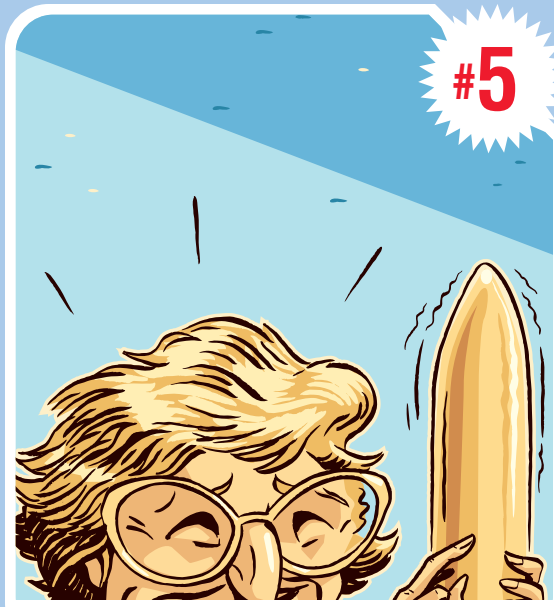

1523–1562

ANATOMIST

Often referred to simply as “Fallopian,” this hero was an Italian physician who conducted the first clinical test of a condom. He wasn’t particularly sexy otherwise, although he had excellent taste in hats. (Fun Fact: Fallopian was the first anatomist to describe the fallopian tubes, and he marketed a female aphrodisiac called “tube lube,” purported to enhance their luster and plumpness.)

HEROES OF INTERCOURSE

DR. RUTH WESTHEIMER

#5

DR. RUTH WESTHEIMER

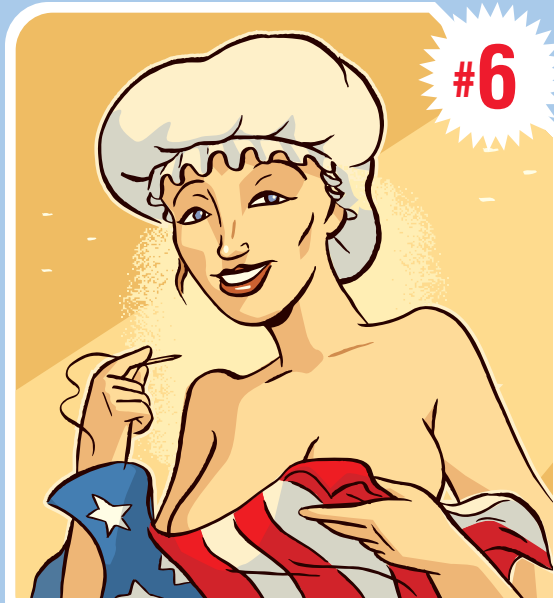

JUNE 4, 1928-

SEX THERAPIST

Elfin, tiny, endowed with a funny accent, somehow this woman became the voice of sexual authority for millions of people. I don't know why anyone would listen to her when I'm right here, ready to help. Just goes to show, you shouldn't let reality impede on your self-image. Think sexy, be sexy! Personally, she makes my skin crawl.

HEROES OF INTERCOURSE

BETSY ROSS

#6

BETSY ROSS

JANUARY 1, 1752–JANUARY 30, 1836
SEAMSTRESS

In 1777, as the fledgling United States was making its first steps toward independence, George Washington walked into the upholstery shop of Betsy Ross and said, "Can you make a flag for us?"

"Yes," Ross responded, "Let's make it together." And so they did. They wove it together, all through the night, and Ross handled the shuttle cock with a skill Washington had only dreamed of. This explains the well-documented historical fact that every time Washington saw the Stars and Stripes raised to full mast, he got an erection.

HEROES OF INTERCOURSE

ANGELINA JOLIE

#7

ANGELINA JOLIE

JUNE 4, 1975-
ACTRESS, HOTTIE

Some have claimed that the only reason Angelina Jolie made this list is because she and I are dating. Nothing could be further from the truth! She made this list because she's the sexiest living woman in the world, an incredible human being, and the person who taught me how to love again. And we're dating. Did I mention that? "She's just using you for you body, Dr. Horner!" I know, I know . . . and I don't mind at all.

HEROES OF INTERCOURSE

HANK AARON

#8

HANK AARON

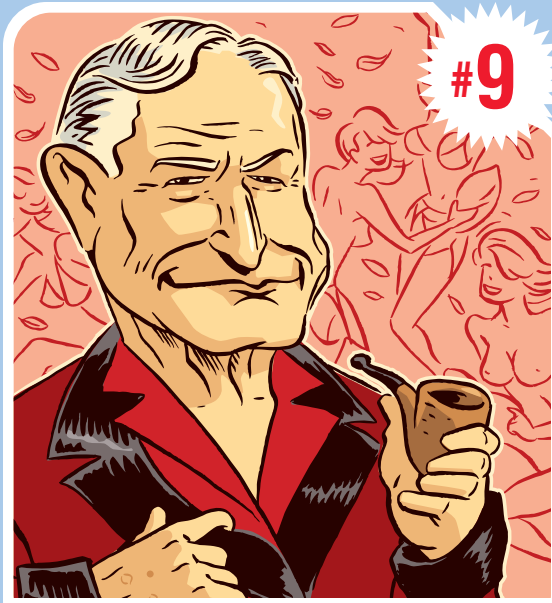

FEBRUARY 5, 1934-

BASEBALL LEGEND

The home run king—755 career homers. Most people haven't even made it to first base with someone that many times! I don't care if Barry Bonds beat his record, Bonds doesn't have the class Hank had. When people tell me "cleats aren't sexy," this is the guy I point to.

HEROES OF INTERCOURSE

HUGH HEFNER

#9

HUGH HEFNER

APRIL 9, 1926-
PUBLISHER, LUCKY S.O.B.

Lots of rich guys use fame and wealth to attract women who would otherwise have nothing to do with them, but none has done so as efficiently as Hefner. Also, none of them look as classy in a bathrobe.

Some women won't be happy to see Hef on this list. They'll say *Playboy* objectifies women, corrodes healthy relationships, and cheapens sex. To these accusations Hefner would doubtlessly respond: "I'm sorry, did you say something? There are seven naked models jumping on my bed having a pillow fight."

HEROES OF INTERCOURSE

DR. ERIC RYLAND HORNER

#10 DR. ERIC RYLAND HORNER

SEPTEMBER 25, 1951–

DOCTOR, SEXUAL HEALER, POET

Look, I didn't want to put myself on this card. I think the whole thing is silly. But I don't make the rules! A peer group of more than 100 physicians (as well as an online voting system) decided who was going to be on these cards, and I was overwhelmingly elected. Since I have this platform, though, I will say that I've helped a lot more virgins than Dr. Ruth has. That's all I'm saying.
