Mustache Stick Card

SUPPLIES

- ☐ pencil
- ☐ parchment paper
- ☐ black felt
- ☐ scissors
- ☐ hot glue gun
- ☐ toothpick
- ☐ white card stock
- ☐ craft knife
- ☐ self-healing cutting mat

DIRECTIONS

1. Trace fig. 3 on page 4 onto parchment paper with a pencil.
2. Transfer pattern and cut mustache out of black felt.
3. Cut an additional 0.25-x-1-inch piece of felt.
4. Hot glue the toothpick to the back of mustache. Glue the small piece of felt on top of where the toothpick is attached to the mustache.
5. Make card size of your choice (see page 372 for templates).
6. Using a craft knife, make two 0.25-inch slits in the center of the card.
7. Slip the toothpick through the slits.

Hooray! It's National Fake Mustache Day. Send a 'stache to a friend in need.

Mustache Stamp

SUPPLIES

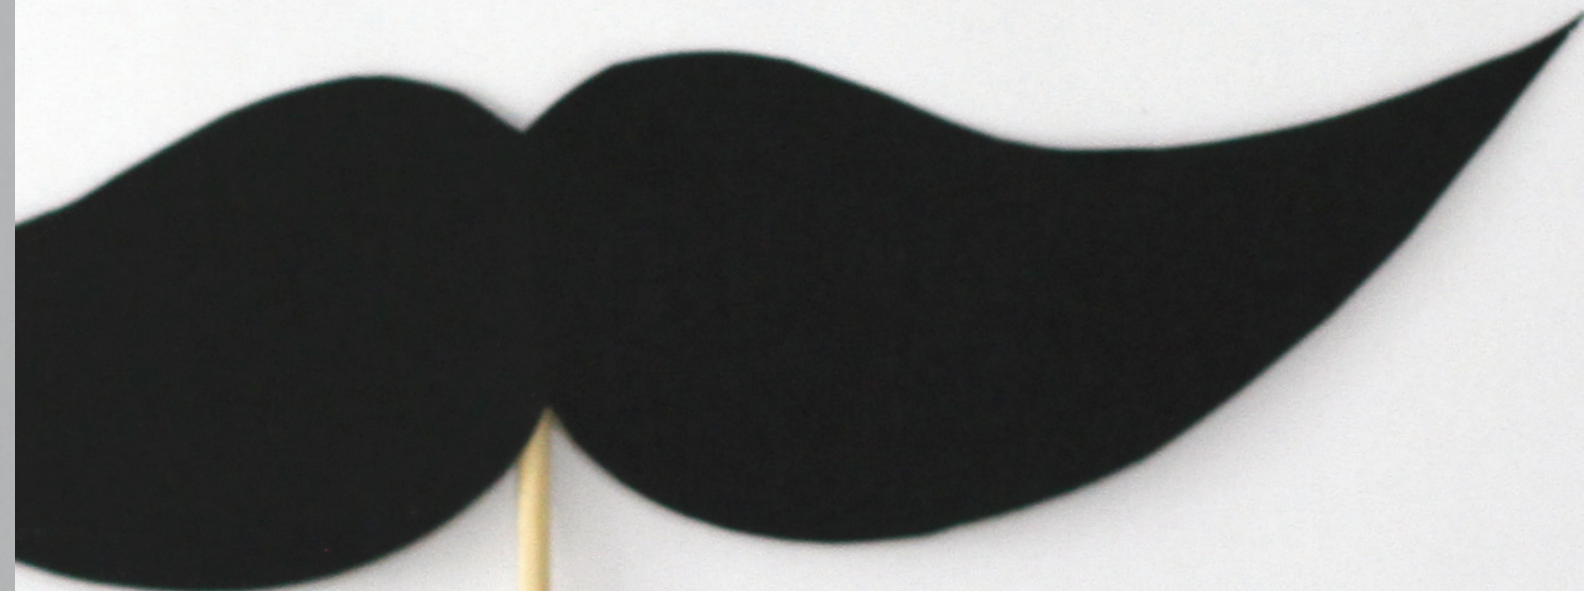

- ☐ pencil
- ☐ parchment paper
- ☐ foam sheet
- ☐ scissors
- ☐ hot glue gun
- ☐ paintbrush
- ☐ black crafts paint
- ☐ white card stock

DIRECTIONS

1. Trace fig. 2 on page 4 onto parchment paper with a pencil.
2. Transfer pattern and cut mustache out of the foam sheet.
3. Cut an additional 0.25-x-2-inch piece out of the the foam sheet.
4. Fold the 2-inch piece of foam in half lengthwise. Hold the foam between your thumb and forefinger in the middle. Fold the ends of the foam back out at a 90-degree angle. Cover ends with hot glue and press onto the center of the foam mustache to make a handle for your stamp.
5. Using a paintbrush, paint the front of the stamp with black crafts paint.
6. Gently press the stamp onto white card stock (or desired surface), applying pressure evenly.

Mustache Print Napkin

SUPPLIES

- | | |
|---|--|
| ☐ pencil | ☐ cloth napkin |
| ☐ freezer paper | ☐ iron |
| ☐ self-healing cutting mat | ☐ black craft paint |
| ☐ craft knife | ☐ fabric medium |
| ☐ towel | ☐ cardboard |
| | ☐ paintbrush |

DIRECTIONS

1. Trace fig. 3 on page 4 onto the non-waxy side of your freezer paper with a pencil.
2. On a self-healing cutting mat, use a craft knife to cut out mustache. Discard the mustache and keep the shape around it.
3. Place towel underneath the napkin. Place mustache pattern on top of napkin with waxy side down, facing the fabric.
4. Iron to adhere freezer paper onto napkin.
5. Mix craft paint with fabric medium (2:1 ratio). Take napkin off towel and place on a piece of cardboard.
6. Brush black fabric paint inside the pattern and let air-dry 24 to 28 hours.
7. Peel off freezer paper and heat-set with iron for 30 seconds.

Fabric medium can be
added to most paints and
is a cheaper alternative
to fabric paint.
