

VIVE LA FÊTE

do-it-yourself-styling for all (holi)days

ISBN: 978-90-810917-8-7

Price: 17,50 euro

144 pages

Forget about the Xmas tree! Throw away that Mexican tablecloth! It is time for a totally different way of party styling. No standard breakfast in bed, but in stead an ultra-special personal treat for an extremely unique Mothers day. No decorations from your local supermarket, but original handmade garlands. In VIVE LA FÊTE, styling-duo FriedaMaria explains in clear steps how you can make really great styling accessories from simple easy-to-get materials.
